

TERMS AND CONDITIONS

Team South Shore Health Terms and Conditions for 2020 Boston Marathon® Program. Please read the following carefully.

A kick-off donation of \$100.00 will be collected after the participant is informed of their acceptance and agrees to join the team. This non-refundable \$100.00 donation will be applied to your total fundraising for South Shore Health Foundation and will secure your spot on the team.

Fundraising Commitment: Each **non-qualified marathon runner must commit to fundraising**, to join Team SSH.

Cancellation Policy: I understand that I may cancel my participation with Team SSH for the 2020 Boston Marathon, waiving my responsibility for the fundraising goal stated above, any time on or before May 28, 2020 by contacting Michelle Hunt at South Shore Health in writing. I understand that my \$100 kick-off donation and any donations received by South Shore Health before that date will not be refunded. I agree that I will not begin the race prior to the official start time; I will not compete in a manner which, in the judgment of the race officials, interferes with race operations or other participants; I will not reproduce or transfer my official bib number. *Donations raised and received by our office will not be refunded, even if you leave Team SSH before May 28, 2020.*

B.A.A. Registration: South Shore Health Foundation will inform you of the details of the B.A.A. registration after your application is accepted. *All applicants must be at least 18 years of age or older and fully comply with all rules and regulations of the Boston Athletic Association. The B.A.A. charges a registration fee that does not count towards your fundraising goal.* This fee will be collected separately by the B.A.A. at a later date. The B.A.A. registration fee for the 2020 Boston Marathon® for charity runners is \$370.00. This fee is non-refundable, non-transferrable, and may not be deferred to another year. **You should not contact the B.A.A. directly to secure your number.**

Matching Gift Policy: Many companies match employee charitable contributions. We encourage you to check with your employer to see if your company has this program, and ask donors if their employers match gifts. Please note that many companies issue matching gift checks quarterly or semi-annually; therefore, if you plan to use a match to reach your minimum, it is your responsibility to contact the matching company to ensure the check will be received before September 28, 2020.
